

COMMERCIAL FURNISHINGS

REPRESENTATIVE/DEALER

Reduce the annual maintenance cost for your outdoor site furnishings with Eagle One's 100% eco-responsible Greenwood® recycled HDPE site furnishings that provide superior performance benefits over traditional outdoor materials.

THE EAGLE ONE ADVANTAGE

- Institutional grade recycled Greenwood® HDPE lumber.
- Commercial outdoor design; ergonomic indoor comfort.
- Perma-color and UV-stabilized for minimal sun fade.
- Dura-membrane exo-skin for impact, scratch and graffiti resistance.
- Maximum environmental stress resistance for all climates.
- Low maintenance, easy clean with just soap and water.

- Zero moisture absorption minimizes mold, mildew & fungal growth.
- Greenwood® lumber rated 25+ years to not splinter, rot or decay.
- Assembled with stainless steel fasteners to resist corrosion.
- 5 year commercial use warranty.
- Eco-smart: 10 lbs Greenwood® lumber recycles 400+ milk jugs (gal).
- Made in the USA.

If you don't find your needs in our latest catalog, please call our furnishings design department to discuss your individual requirements. All complimentary architectural styles and designs can be met through our custom design manufacturing program.
