

FPF SERIES

Aluminum Frame Outdoor Furniture

Eagle One extruded aluminum frames are built to last. Our multi-process ensures durability with a high quality, long life finish...

- **Sand blasted** prior to powder coating providing maximum level adhesion to the frame.
- **Exterior grade powder** is applied with an electro-static process giving a consistent coating and then baked in an oven at a high temperature causing the powder to liquefy and adhere to the frame.
- **Cured** to endure a tremendous amount of abuse without chipping.

Why finish with **Eagle One's 100% GreenWood®** recycled HDPE lumber...

- **Zero Maintenance;** zero painting/staining/refinishing, features easy clean with soap & water.
- **Lifetime Use;** Eagle One's GreenWood® plastic lumber is rated for 25+ years to not rot, splinter, mold or decay.
- **Superior Comfort & Beauty;** Built with ergonomic comfort, Eagle One's GreenWood® plastic lumber is co-extruded with a tough skeletal dura-membrane which is dent, scratch, UV and graffiti resistant for long term superior aesthetics.
- **Priced Right;** superior performance in outdoor furnishings with the beauty of natural hardwood, blended with the light durability of powder coated aluminum.
